## Weekend construction work on A8 will cause part and full closure of two sections of Autobahn

Because of construction work scheduled this weekend on Autobahn 8 two areas of the autobahn between Ulm and Karlsruhe will be closed. The Federal Ministry of Transport, Building and Urban Affairs (Stuttgart District) has sent out an advisor that the Drackensteiner slope between Merklingen (Alb-Donau-area) and Mulhouse (Göppingen area) will be closed in one direction and a section between Leonberg (Böblingen area) and Heimsheim (Enz-area) will be closed in both directions during the upcoming weekend.

Drackensteiner slope will be closed from Friday, April 27 at about 9 p.m. until May 1, at 7 a.m. Sunday April 29 in the direction from Karlsruhe to Stuttgart. Travelers will be diverted at the Merklingen connection point. Traffic going in the direction from Karlsruhe to Stuttgart on A8 will not affect.

Drivers will encounter the second road closure between Leonberg and Heimsheim on Saturday, April 28 starting at 5 p.m. until noon on Sunday April 29. Construction on a bridge in that section will cause closure of Autobahn 8 in both directions. Traffic will be diverted at the Leonberg-east and Heimsheim connection points.
